- I am the Chair of the Independent Quality Committee at HCR ManorCare and am compensated for this service. HCR is a provider of short-term, post-hospital services, and long-term care. The company has a network of more than 500 nursing and rehabilitation centers, assisted living facilities, outpatient rehabilitation clinics, and hospice and home health care agencies.
- I am a paid consultant to NaviHealth, Inc. and chair their Scientific Advisory Board. NaviHealth is wholly owned by Cardinal Health. The company offers post-acute care (PAC) management and services to more than 1.5 million beneficiaries in all regions of the country through its partnerships with health plans and health systems
- I am a former Director at PointRight, Inc. While I no longer provide any services or hold any positions at PointRight, I still have a small amount of equity in the company. PointRight is a private company based in Cambridge, MA. It provides predictive analytics solutions to thousands of post-acute providers, long-term care providers, hospitals, payers and insurance organizations.
